Dated: 10th Jan, 2024

Dear Secretary,

This is in continuation of the D.O. letter of even no. dated 31st January 2023 regarding implementation of One Nation One Subscription (ONOS), an initiative of this office to provide countrywide access to scholarly research content.

2. In this regard, a recent notification from Department of Higher Education dated 9th January 2024, addressed to the higher education institutions, is **enclosed**.

3. Accordingly, it is hereby informed that efforts to finalise ONOS are on-going, however, due to insufficient time available to get the necessary budgetary approvals, it has been decided to commence ONOS from 1st January 2025.

4. In order to avoid disruption of access by the current subscribers, consortia/institutions under your ministry/department are advised to continue the current subscription model for one year i.e. for 2024 only. For this, consortia/institutions are advised to carry out negotiations directly while ensuring multi-year contracts with publishers are avoided.

5. Director, INFLIBNET Centre (director@inflibnet.ac.in) may kindly be contacted for any further clarification in this regard.

6. We look forward to your continued support in this initiative. Further updates on the progress of the ONOS initiative will be provided from time-to-time.

With Best Wishes

Yours Sincerely,

Plaini

Subject: Implementation of One Nation One Subscription: Open Access of Scientific Research Papers and Journal Publications in India-reg.

One Nation One Subscription (ONOS) is an initiative to provide countrywide access to national and international scientific and academic content. It is informed that a high level of maturity has been achieved in the negotiation/consultation process of the ONOS framework. However, a complete convergence on the framework has not yet been reached as on date. Therefore, all consortia/institutions are advised to continue on the current model for one (1) year i.e. for the calendar year 2024 only and negotiate directly for their research subscription. Multi-year contracts with the publishers should be avoided.

2. CNC or any other committee notified under ONOS will not be involved in this negotiation and the institutions are advised to carry out negotiations themselves.
3. Director INFIBNET Centre (An IUC of UGC) Gandhinagar may be contacted for any further clarification on this subject.
