Contd--2-

Ne

The above named candidates final absorption as Tech Grade III/Fitter is subject to passing the final trade test at the end of the training and the regular pay scale of Rs. 5200-20200 with Grade Pay Rs. 1900 will be applicable only on successful completion of the prescribed training. Failure to pass the prescribed Trade Test will render them ineligible for retention in service and will be discharged from Railway Service. The absorption and seniority in the working post will be governed by the extent rules.

They will draw a stipend in the stipendary scale of Rs. (With CPC) from the date of joining the training.

They should report to SSE/C&W/HPT immediately for the training as per the training programme enclosed.

The date of joining of the candidate should be advised promptly to all concerned without fail.
