(2) This office Seniority list of Assistant Loco Pilot (01/2018) seniority
list published on dated 05.04.2023

The Revised seniority list of Assistant Loco Pilot in PB Rs. 5200-20200+1900(GP)/Level-2 of VII PC of Mechanical Department of Hubli Division as on 17.05.2023 is sent herewith for information and circulation. The score obtained in the common subject in the written examination held at the end of the induction training before absorption to the working post has been taken into consideration for assigning the seniority. The seniority list is prepared in terms of extent rules in force. However, the provision of Rule no. 303(a) of IREM Vol.I is reproduced as under for better understanding.

"Candidates who are sent for initial training to Training Schools will rank in Seniority in the relevant Grade in the order of merit obtained in the examination held at the end of the training period before being posted against working post. Those who join the subsequent courses and those who pass the examination in subsequent chances will rank junior to those who had passed the examination. In case, however, persons belonging to the same RRB panel are sent for initial training in batches due to administrative reasons and not because of reasons attributable to the candidates, the inter-se seniority will be regulated batch wise provided persons higher up in the panel of RRB not sent for training in the appropriate batch (as per seniority) due to administrative reasons shall be clubbed along with the candidates who took the training in the appropriate batch for the purpose of regulating the inter-se seniority provided such persons pass the examination at the end of the training in the first attempt".

The Revised seniority list includes old employees and ALP's recruited through CEN-01/2014.

The Revised seniority list may please be notified to all staff under your control individually. Representations if any received from the employees concerned against the seniority positions assigned to them etc., may be obtained and forwarded to this office immediately without any delay at your end. The employees concerned should submit their representations, if any, within a period of one week from the date of this letter (i.e. on or before 24.05.2023). If no representations are received within the prescribed time limit, the seniority list sent herewith will be treated as final. Further no representations/correspondence in the matter will be entertained.

Please acknowledge the receipt of this letter.
