In pursuance to the orders passed by the Hon'ble CAT/Bangalore in the above original applications and CPO/SWR/UBL letter cited under reference (2) above to comply the orders of the Hon'ble CAT/Bangalore, the provisional seniority list of candidates selected and appointed as ALPs in CEN No. 01/2010 has been revised and the revised provisional seniority list is enclosed (in duplicate) for notification among staff working under your control. Similarly the seniority list of candidates selected and appointed as ALPs in CEN No. 01/2011 has also been published and the provisional seniority list is enclosed (in duplicate) for notification among staff working under your control. The staff concerned staff should be notified under clear acknowledgment.

While preparing the provisional seniority list for both the Centralized Employment Notifications, the following aspects have been taken into account.

1. Each year of RRB panel is the base for recasting the seniority.
2. Wherever there are more than one panel, the sequence in which RRB papers received from Hqrs to the division has been taken for assigning inter se seniority among different panels.
3. The number of candidates undergone training in one batch is considered as the size of each batch. In other words if 15 candidates attended training in a particular batch, the size of the batch is considered as 15 and candidates as per the panel position in the select list have been considered in the appropriate batch.
4. The seniority is assigned taking into account the RRB panel position, batch and the marks scored in the final examination at STC/SBC in terms of para 303(a) of IREM Vol.I - 2009 edition. In addition, candidates who have secured the same marks in the final examination are assigned seniority taking their date of birth as the criteria as per para 304 of IREM Vol.I 2009 edition. i.e older candidates placed above the younger candidates.
5. The candidates who have initially medically examined and declared Temporarily Unfit and subsequently declared as fit in class Aye-One are treated on employee's account and placed in the appropriate batch in which they have attended training. Further the candidates who were initially declared as unfit in class Aye-One and subsequently declared as fit in class Aye-One based on the candidate's appeal are also treated as on employee's account and their seniority is also assigned in the

6. The candidates who have sought time to take up the appointment are placed in the appropriate batch in which they have attended the training course.
7. In respect of candidates who have failed in the final examination and come out successful in the supplementary examination have been assigned seniority below all the candidates who have attended training in the appropriate batch.
8. The employees who belong to CEN No. 01/2010 will rank senior to employees of CEN No. 01/2011.

As a result of revision of seniority list of candidates selected in CEN No. 01/2010, the seniority position in the category of Sr.ALP which was ordered earlier will be decided based on the seniority assigned in the category of ALP for considering them for promotion as LP(Shunter)/LP(Goods) subject to passing LR-4 promotional training course successfully.

In view of the position explained above, the candidates should be advised by the concerned supervisory official to give the Show-Cause for the revision of seniority with clear explanation that why the provisional seniority list as proposed to be published should not be considered as final for considering them for their career progression. This aspect should be notified to each employee working under your control with clear acknowledgment and the candidates should be advised to submit their representation with substantial material fact if any on the proposed revision of seniority in the case of CEN No. 01/2010 and publication of seniority in the case of CEN No. 01/2011 within one month from the date of notification of the provisional seniority list on or before 22.01.2016. They should also be advised that if no representation is given within prescribed time limit, the provisional seniority list will be treated as final without giving any further notification and further progression will be ordered as per the final seniority list.

The provisional seniority issued is subject to the outcome of pending OAs and Writ Petitions pending before the Hon'ble CATs and Hon'ble High Courts.

The above provisional seniority lists have been placed on website i.e., [swr.indianrailways.gov.in](http://swr.indianrailways.gov.in) and also on Mysore Division face book and the URL is <http://www.facebook.com/SWR-MYS-Personnel-Branch-1603270456551075>
