Sub : Calling of options from staff to serve in the newly set up Yadgir FIAT Bogie manufacturing Plant.

The work at the site of the new FIAT Bogie manufacturing Plant at Yadgir has started from June 2015. The plant is likely to be handed over to Railways by June 2016. For the purpose of manning of posts in the Plant, options may be called for from the Technician & Supervisory staff of all other zonal Railways subject to the following conditions :-

- (i) Options may be accepted from staff for posting only in a grade in which he/she is already working on regular basis.
- (ii) The cadre at FIAT Bogie manufacturing Plant will remain open till the plant becomes fully operational and till then the staff transferred thereto will continue to progress in their original cadres. Accordingly, in the Plant at Yadgir normally no promotion should be resorted to till the cadre is closed. The Plant will also not resort to any direct recruitment.
- (iii) The options received may be forwarded to S.C. Rly Head Quarters for further necessary action. List of optees should be forwarded categorywise, gradewise and strictly in order of seniority and as per the own requirement. Only the names of such staff as may be immediately spared may be forwarded by the concerned Railway. However, the mere fact of their exercising an option does not necessarily imply that their transfers would be automatically effected.
- (iv) The seniority of staff coming on such transfer to FIAT Bogie manufacturing Plant should be determined in each grade on the basis of non-fortuitous length of service in the grade, as on the date the Plant becoming operational in such a way that inter-se-seniority of staff absorbed in the same unit is not disturbed.
- (v) Staff should exercise their option within a period of four months from the date of issue of this letter.
