

SAFETY TIPS TO THE PASSENGER

- Your Smoking will cause inconvenience and health hazards to your co-passengers. Smoking in public places is prohibited. Smoking in Railways will entail prosecution under Railways Act.
- Do not touch any un-identified articles lying in the train coaches as well as Railway platforms. It may endanger your life. If such article is noticed, report immediately to RPF/GRP or Railway authorities.
- Do not accept any eatable items or drinks offered to you by your co-passengers or unlicensed hawkers. These could be laced with drugs by Criminals which will make you unconscious leading to loss of belongings and even life.
- Do not carry inflammable articles with you. It may endanger your journey and may be your life. Besides you are liable to be prosecuted under section 164 of Railways Act and may face imprisonment up to three years.
- Do not travel on roof top and foot step of the train.

In case of theft of your luggage, immediately report the matter to RPF/GRP escorts, TTEs, Coach Attendants, Guard and Train Supdt. etc. for necessary action. They carry FIR forms which should be filled up with relevant details and handed over to them under acknowledgement. It shall be their responsibility for getting the FIR registered with concerned Police and to pursue for detection of the case.

Alarm Chains are provided in train coaches for emergency stoppage of the train. Do not use Alarm chain unnecessarily without sufficient reason. It will affect the train's punctuality. Person pulling Alarm Chain without sufficient reason is liable to be prosecuted under section 141 of Railways Act and imprisonment up to one year.
