# PREFACE

**A. K. Gupta**  
General Manager  
South Western Railway

Indian Railways is the lifeline of the nation and catalyst for India's progress and economic development. South Western Railway plays a significant role in the socio-economic development of Karnataka state. The Railway has been operational from 1st April, 2003 with headquarters at Hubballi in the state of Karnataka. Southern & South Central Railways join hands with South Western Railway in contributing towards development of Karnataka and improvement of train services.

Railways have achieved many visible milestones in Karnataka in 3-4 years, 252 Kms of new lines and 212 Kms of doubling have been completed in last 3 years. 92 new Mail/Express and Passenger trains have been introduced. Apart from this, many trains have been extended and frequency increased. On the freight side, loading on South Western Railway has been continuously increased to about 45 million tonnes.

The Railway personnel are vibrant and dedicated, ready to adopt to changing scenario of the transport sector and to fulfill the requirements and expectations of the people of Karnataka. This brochure is aimed to list out some of the important activities undertaken in recent past and current projects in Belagavi Lok Sabha constituency in Karnataka state. We also seek your contributions and co-operation towards Swachh Bharat Abhiyan to maintain cleanliness in Rail premises.
