In supersession of above referred instruction at Ref 2 & 3 and continuation of the instruction at Ref 4 above, it has been decided to revise the JP scale with rationalized terms and conditions as under:

**A. Freight Rate:**

- Basic freight rate Table including development charge of "JP" scale is enclosed herewith at Annexure.
- Since development charge has been included in basic freight rate Table therefore development surcharge shall not be charged separately.
- GST as applicable shall be levied separately as per existing principles and as revised from time to time.

**B. Other conditions:**

- Special trains under JPP-RCS shall have separate parcel scales "JP" therefore para 2.6 of the explanatory note of IRCA Parcel Rates Tables effective from 01.10.2013 shall be revised as under:

- All traffic booked in JPP-RCS trains, either brought by Department of Posts or Aggregator or booked directly with Railways, shall be charged at JP scale.
